*Essaouira is a complete contrast to Marrakech and life moves at a much more leisurely pace. Famous for the sweeping beaches & the white walled houses in the Medina, Essaouira is a must for those seeking a beach holiday as well as some stunning local countryside that extends towards the foothills of the Atlas.. The new airport (15 kms) has now been extended to take scheduled flights from Casablanca.*

This elegant and private property is situated 2 kms outside the famous sea side town of Essaouira, 2 hours drive from Marrakech.

The villa is located in 2 acres of walled garden and contains the main house and 9 separate suites allowing for a maximum of 25 persons at one time. Each suite is totally private and separate to the others. The suites are contained in individual "cottages".

This property offers a haven of peace and tranquillity and an excellent location for a private group or corporate retreat.
